Country Overview

Beyond stunning beaches and magical temples, Bali has virtually every kind of natural beauty. Glorious mountainous areas with lush greenery, scenic lakes, gorgeous waterfalls, iconic rice fields, flower gardens, gushing sacred rivers and secret canyons all make up the island's landscape.

Ubud - Bali (4 nights)

Ubud, Bali, once a mostly serene “hippie” destination for travelers interested in yoga, healthy food, and fresh air, has grown into one of the busiest and most popular destinations in Bali. Elizabeth Gilbert’s book *Eat, Pray, Love* — and the 2010 film of the same name — permanently pushed Ubud to the forefront of the tourist radar.

Seminyak - Bali (3 nights)

Seminyak is one of the most popular tourist destinations in Bali. People gravitate here for that little bit of luxury and relaxation that lacks in its neighbors Kuta and Legian. One of the main reasons to come to Seminyak is to enjoy not only the beach but also the amazing beach bars and cafes that run along the coastlines and you will find a huge number of choices available.
